

## Aida Plus By Calligaris

VOYAGER

**"Unique design that has successfully paired comfort with minimalism!"**

The Calligaris Aida Chair is that. It features a curved, high backrest and contoured seat upholstered in regenerated leather. The elegant lines continue through the tapered square tubular steel legs, which come in a finish matching that of the chosen upholstery colour. Minimal and elegant, and stands out for its high back rest and slender lines. The seats elastic belts guarantee maximum comfort and softness. The metal legs are finished to match the leather upholstery.
