

Alchemia Chair By Calligaris

VOYAGER

“Modern, brightly coloured chair with a striking backrest design composed of cut-out triangles resembling the structure of an atom.”

Clearance on current stock only. Stocked colours: glossy black, transparent and transparent red. While stocks last. Made in Europe from premium polymers. Design by Archirivolto, Italy. A technopolymer monoblock made using the Air moulding process makes Alchemia an extremely sturdy, lightweight and easy to clean chair. Stackable up to 6 chairs high, this chair can be used in different spaces such as bars, cafeterias or conference halls.
