

## Angle By Ditre Italia

VOYAGER

**"Lines and semicircles are articulated among themselves in a game of shapes and colors."**

A small architectural feature plays the starring role in the home. With its sculptural shape, in both the high and low version, the Angle sideboard is distinguished by a tapered design and a reduced depth. The frame, body, top and doors can be ordered with customised materials and finishes.

Designed by Daniele Lo Scalzo Moscheri

**Finishes:** Doors and frame in: Anthracite, Grey wood & Amber Top in bonded leather: Natural, Brown, Dove Grey, Grey, Testa di Moro & Hemp

**Lead time:** 20-24 weeks from Italy

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 17/Feb/2025 at 02:22 PM.
