

Antiquarian Sideboard By Bernhardt

VOYAGER

The sideboard, made of select hardwoods and white oak veneers, has a hand-applied, lightly distressed, Wheat finish. It has four doors, with fronts a Dark Tobacco finish, opening to adjustable shelving, and heavy aged brass engraved pulls. The tapered legs enclose a large storage/display shelf that also serves as a stretcher, providing increased stability and longevity.

Bernhardt's Antiquarian collection updates traditional forms to make elegant pieces with the look and feel of treasured antiques. Made of select hardwood with white oak solids and veneers, the collection includes details like aged brass door fronts, antique mirrors, seeded glass, and substantial, weighty hardware.
