

Arcade Dining Table By Ditre Italia

VOYAGER

"Inspired by pillars, arches, vaults and passageways"

Inspired by pillars, arches, vaults and passageways, Arcade brings together these architectural elements to create a modular support system that can be used with a range of different shapes and materials for table tops. Each combination has a timeless elegance and a sculptural quality, no matter where it is placed.

Finishes: Top is available in range of marble, glass, wood and metal finishes
