

## Arlott High Sofa By Ditre Italia

**VOYAGER**

Designed by: Gabriele E Oscar Buratti

A horizontal expanse just barely defined on the sides by slim armrests that distinguish the different versions and configurations available. The landscape is sketched with minimalist, clean cut lines enlivened by the dynamism of the backrest that can be adjusted for perfect relaxation, to read or to chat on: in other words, to live your best life. Two versions are available: one with seat cushions at floor level and another raised from the floor on slim feet featuring a metal base which can be covered with leather or lacquered. Fixed or modular, straight or corner sofas make for the perfect, timeless upholstered seating.
