

Bahia Chair By Calligaris

VOYAGER

“BAHIA is a brightly coloured, comfortable, wraparound chair; described by designers Dondoli and Pocci as ‘an inspired, organic shape.’”

BAHIA has four wooden, tapered legs and the metal cruise is painted in the same colour as the shell, which is made from Restilon®.

BAHIA is also available in the outdoor version, with satin finish steel structure treated for the exterior.

Restilon® is an eco-friendly thermoplastic composite made from 35% recycled materials. It gives the chair a rigid external skin and a flexible inner core, as well as high gloss finish, excellent resistance to UV and good scratch resistance.

Dimensions (cm): L 55.5 | H 75 W 55 |

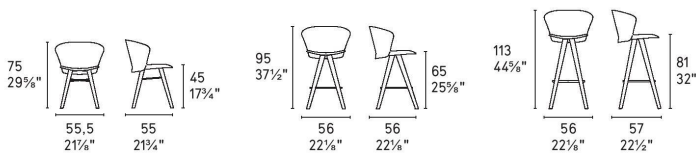

Seat height: 45 cm
