

## Beyl Armchair By Ditre Italia

**VOYAGER**

**“Sink into its warm embrace”**

An armchair is a private, personal space, the perfect choice when you want to spend some time all by yourself, relaxing between two armrests, stretching your body out and letting your head be supported by a headrest. Sink into its warm embrace; the rounded shape of its backrest and the refined design of its leather armrests inspired by the Althon sofa make for a very tasteful and elegant armchair. The two different heights of the backrest classify it under the category of the classic
