

Biarritz Chair By Ditre Italia

VOYAGER

"A structure like an enveloping shell, with a dynamic open and closed effect."

Attractive and refined shapes give rise to a composition comprising a table – in various sizes – and a chair – covered with leather or fabric. An original and concurrently classic look for the set, like an urban landscape which harmoniously brings together different souls.

Design by Dainelli Studio

Fabrics: Various Fabric & Leather Options

Finishes: Legs in Grey Wood
