

Breeze Dining Table By Calligaris

VOYAGER

“Two-dimensional shapes that extrude and intersect giving a new visual perception”

Breeze is a play on geometry, a 360° optical illusion.

Two-dimensional shapes that extrude and intersect giving a new visual perception, thanks to their monochromatic surface that changes with the changing light.

Finishes: Available in many different sizes and finishes. A range of Glass and Ceramic Tops

Lead time: Approximately 16-20 weeks from Italy.

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 18/Aug/2024 at 01:37 PM.
