

Coach By Amura

VOYAGER

"COACH is a comfortable and generous armchair, characterized by soft and enveloping lines. The shell-shaped structure in linen composit welcomes the seat and wide backrest upholstered in leather or fabric to offer maximum comfort."

COACH is a comfortable and generous armchair, characterized by soft and enveloping lines. The shell-shaped structure in linen composit welcomes the seat and wide backrest upholstered in leather or fabric to offer maximum comfort.

The base is available in two variants: a light and discreet structure in brushed stainless steel, or an elegant star base in brushed stainless steel and walnut wood. For a total relaxation experience, COACH is also available in the version with headrest and accompanied by a padded pouf.

"My satisfaction - explains Jean-Marie Massaud - is having created a truly essential product for SAINTLUC, a new classic... Comfort par excellence as a requirement,

the elegance of "light and responsible things", green technology as a new purpose"

Colours: Fabrics Or Leathers

Finishes: The composite material consists of the intimate union between the reinforcing fibers and a matrix, such as resin or a thermoplastic material, which keeps the fibers compact.

Customisable: The natural harmony of form. Designed by Jean-Marie Massaud
