

Cyclone

By Calligaris

VOYAGER

“What characterizes Cyclone is the central base inspired by a cyclonic rotation”

What characterizes Cyclone is the central base inspired by a cyclonic rotation, formed by two curved steel plates that change depending on the point of view, giving the table an unprecedented dynamism. The thin round tops, also with extensions, are in marble-effect ceramic. Design by: Busetti Garuti Redaelli

Finishes: Glass and Ceramic table tops with various different base finishes

Variations:

Available in fixed sizes

Lead time: Approximately 20-24 weeks from Italy

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 05/Jul/2024 at 02:15 PM.
