Cygnus Floor By Calligaris

VOYAGER

“The organic cocoon shape of this lamp softens the otherwise contemporary design, light permeates the stretched fabric shade with a soft warm glow”

Made in Italy

Designed by Gino Carollo / Studio 28

Sculptural floor lamp with fabric 'cocoon' shade with organic form stretched on a metal triple-ringed frame hanging from an embossed varnished metal curved stem with sinuous lines. Available in white or grey. Matching cygnus suspension light and cygnus table lamp also available.
