## East Hampton Coffee Table

VOYAGER

**"This graceful cocktail table features slender tapered legs tipped with ferrules in an Aged Silver finish."**

The East Hampton collection is defined by its minimalist aesthetic, achieved through soft finishes, graceful curves and subtle accents. The East Hampton cocktail table is beautiful in its simplicity. Meticulously crafted from quartered ash, the table features a Cerused Linen finish, created using light wire brushing and cerusing techniques to highlight the linear wood grain. Slender tapered legs with metal ferrules in a lustrous Aged Silver finish bring a hint of shine. A bottom shelf offers additional space for display and storage.

**Dimensions (cm): L 142 | H 45.5 W 81 |**
