

## Eclectico Modular Sofa By Ditre Italia

VOYAGER

**“Comfort and practicality with infinite configuration opportunities!”**

Designed by Spessotto and Agnoletto for the Ditre Italia design collection. Made in Italy.

With a few minor actions, it is possible to change the aspect of Eclectico to adapt it to your needs: for example to give to the living room a more linear and minimal aspect or to welcome more comfortably your guests.

The innovation is in the possibility to modify the height of the sofa: customer can decide to remove the high back cushion to use the lower one or just the opposite, to add or to remove the extra- comfort mattress of the seat, to substitute the high feet with lower ones.

Eclectico is available with high or low back cushions, armrests with two heights and two widths, two different types of high feet ( metal or small trumpet shaped wooden feet ), low feet. Eclectico, characterized by elegant tailors' details on the armrests and sitting front, is available with smooth or quilted covering, in fabric and in leather.

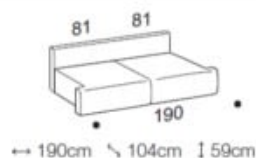

**Colours:** Available to order in a range of fabrics and leathers.

**Finishes:** High or low feet options available.

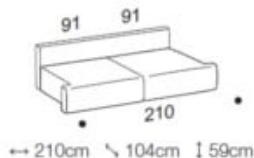

**Lead time:** 16 - 24 weeks from Italy

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 29/Sep/2017 at 11:02 AM.
