

Elliot 5470T

VOYAGER

DESIGN: PATRICK JOUIN

Elliot table has an elegant silhouette and minimal design. The shape of the column, which transforms into an airy base, expresses continuity and attention to detail. The three-lobed column in extruded aluminium narrows down and splits open to form three feet in die-cast aluminium. Elliott table is also offered with a folding top so that it can be stored away with very little space. Suitable also for outdoor. Height 730 mm.
