**VOYAGER**

**“Stunning reincarnation of classic mid century style with an unmistakably new design.”**

Inspired by the chairs of the 1950s, FIFTIES reinterprets the decade's style canons creating an object that evokes happy memories. Consistent with the trends of those years, FIFTIES is characterised by a nimble silhouette that combines a metal frame with classic, elegant velvet, leather or leatherette boasting a soft and silky feel. The four metal tube legs adds lightness and elegance to the chair, supporting the graceful seat and wraparound backrest, which are both padded for maximum comfort. Add a vintage touch to your dining area. Choose the FIFTIES that's perfect for you.
