

## Fluxo 5465

**VOYAGER**

DESIGN: LUCA CASINI

Fluxo uses primary geometric shapes, starting from the section of its stem-like base, to generate a form with clean and minimalist lines. The circular-section vertical column stretches down, spreading out into "ribbons" that form the base of the table. Die-cast aluminium base with four legs. Height 730 mm. Available in polished or powder coated aluminium and titanium.
