

Horizon TV By Calligaris

VOYAGER

"Elevated from the floor on elegant chrome legs, but with practical storage inside, the horizon is a great entertainment solution"

Made in Italy

Designed by Marelli & Molteni

Horizon is a low TV bench featuring two side drawers and a central drop-down door.

Central compartment with glass shelf and practical cable outlet is specifically designed for decoders or DVD players. Side drawers are fitted with a soft close mechanism.

Features wooden frame with glass top and 21cm-high chrome-plated metal sled base.

Finishes: Available in graphite-stained veneer, wengé-stained oak veneer or walnut veneer with a coffee, black or extra white frosted glass top

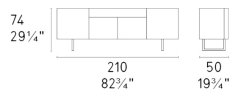

Warranty: 2 year international warranty

Lead time: 12-16 weeks from Italy

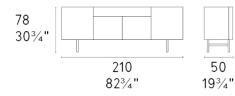

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 12/Sep/2020 at 12:29 PM.
