

Husky Dining Table

VOYAGER

“Robust and versatile, the Husky dining table is the perfect casual dining option, with pedestal base design options to maximise seating.”

Borrowing design from classic Scandinavian lines, but with a distinctly Australian look and feel, this solid hardwood dining table design is robust and versatile for the rigours of everyday use.

The rectangular design of this table features two parallel sled bases with mortise and tenon style exposed joints at the top and base of the leg. Any seating position will limit impediment.

Available in rough sawn or fine-finished select hardwoods in a range of colours and sizes to suit your style and space.
