

## Jut Rug By Calligaris

**VOYAGER**

The graphics of the JUT rug is inspired by architecture: sculptural forms intersect to create intricate and rigid effects of solids and voids, in a delicate balance of shapes and colours.

Sharp lines contrast with pale and warm shades in a harmonious interplay of opposites.

JUT is made of jacquard weave, with mixed chenille and cotton yarns woven into plush.

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 25/Nov/2019 at 09:49 AM.
