

## Lapis Sofa By Amura

VOYAGER

**“A new take on the relaxing experience”**

Designed by: Anton Cristell & Emanuel Gargano

A design that's simple and refined at the same time, it manages to give a new perspective to the living and to regain a temporal dimension as the main element for man's well-being.

Seats, armrests and backrests are filled with memory-foam, to give the maximum flexibility, resilience and stability of shape.

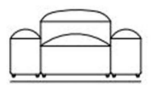

**Lead time:** Approximately 20-24 weeks from Italy.
