“Bold Contemporary Style!”

A visually arresting entertainment credenza with dimensional cast resin fronts and cast concrete legs offers a bold contemporary style. Boldly dramatic design is brought to life in the Lunula entertainment credenza. Cast resin creates a textural surface with dimensional forms that captivate and engage. A wood frame in a Flaxen finish embraces the exuberant look, while cast and chiseled concrete bases support the elemental vision. Four soft-close doors open to showcase ample storage.

Dimensions (cm): L 218.5 | H 76 | D 54
