VOYAGER

“Loving the new material combinations with the Magazine Side table. Adorned with tan cuoio leather and options of black steel or brass, and coupled with Brushed black timber or Emporadoo marble - stunning”

Coffee table made from 14 mm tubular metal with a wood or ceramic top. Magazine pocket positioned underneath the top in regenerated leather. The elegantly pared-back metal frame, the oval top (available in a range of materials) and the magazine pocket in regenerated leather all convey a sophisticated stylishness that whispers rather than shouts. Flawlessly finished in matt black or polished brass, this on-trend furnishing accessory is a thing of beauty.

Colours: See schematics for details

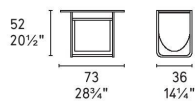

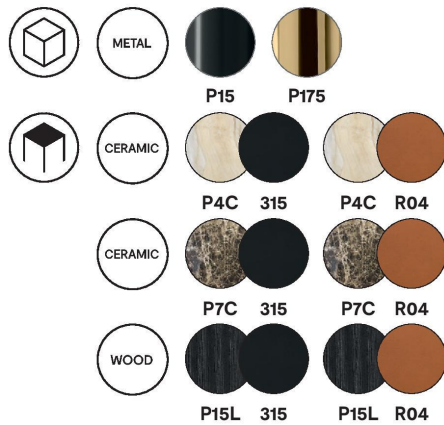

Dimensions (cm): L 72 | H 62 | D 36

Lead time: 1-2 weeks if in stock. New orders approximately 12-16 weeks from Italy.
