

Melville Sofa By Ditre Italia

VOYAGER

"A refined modular system to furnish a welcoming place, built around individual needs and desires"

Designed by Patrick Norguet

As simple as origami and sophisticated as a tailored jacket. The first sofa by Patrick Norguet for Ditre Italia combines strong volumes with an elegant and welcoming design, just like a comfortable item of clothing. In terms of the style details, the edges of the backrest and the seat, folded like the buttoning on a collar, hold the generous padded elements in place, emphasising the soft and full appearance of the sofa. The collection is completed with armchairs, covered in fabric like the sofa.
