

## Millennium XXL Table (Ceramic) By Bontempi Casa

**VOYAGER**

**"If you have been searching for a statement dining table - look no further. The stunning pedestal base Millennium table is a wonder to behold. Choose from live edge timber table options - including amazing heritage Walnut with inlaid resin pours - or the beautiful Arabescato porcelain marble top"**

Millennium XXL Table is a striking piece featuring an oversize table top, supported by two angled frame feature bases. Available in three sizes in a range of Wood and Glass top finishes or Glossy Arabescato Super Marble. Options vary according to the desired size.

**"Heritage Walnut Solid Wood:** A selected wood from controlled reforestation areas of South America. Each top is unique and made from a single piece of trunk, carrying the marks of the life of each tree to include knots, cracks, variations in colours etc. Any large cracks are filled with resin and the piece is finished in a durable clear matt lacquer. This provides a finish that doesn't compromise the natural beauty of the wood grain."

**Colours:** A large selection of timber, glass or porcelain options

**Finishes:** Beautiful selection of steel treatments, including aged brass

**Lead time:** Made to order. Approximately 20-24 weeks from Italy.
