

## Musa Sideboard By Bontempi Casa

VOYAGER

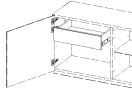

**"Musa sideboard is an innovative interpretation of simplicity and versatility of wood."**

Design by Studio E-ggs

This sideboard with its pure and simple design seduces also for the texture of its doors, which are run vertically by grooves forming a graphic motif on the surface, which creates a harmonious game of lights and shadows and a tridimensional effect. This manufacturing work endows a classic piece of furniture with great stylistic character.
