

## On Line Sofa By Ditre Italia

**VOYAGER**

Designed by: Anna Von Schewen

Let's examine all the expressions of comfort and then stop at the place where On Line is waiting to welcome us. A system of vertical and horizontal lines harmonises the fixed section of the seat with the mobile one made up of cushions. Backrest and armrest can be adjusted for unsurpassable customisation and comfort.

**Lead time:** Approximately 20-24 weeks from Italy.
