

Profile Entertainment By Bernhardt

VOYAGER

"The woven brass doors of the Profile buffet are impossible to ignore - this is a showstopper piece with glamorous materiality"

A modern twist on mid-century vibes, this entertainment console is a great option for your media storage needs. Each door rests upon soft-close hinges: the outer doors hold two adjustable and removable shelves, while the centre double doors contain a single adjustable and removable shelf. The back of the console is ventilated to keep devices cool, and features wire management holes.
