

Puppet Bedside By Ditre Italia

VOYAGER

"A bed-side cabinet which emphasises its stark and disciplined shape, dictated by a metal surface and solid base upholstered with leather or fabric."

Designed by Stefano Spessotto

A winning duo for the bedroom space. A bed with a generously sized headboard reminiscent of the idea and shape of a soft pillow; and a bed-side cabinet which, in contrast, emphasises its stark and disciplined shape, dictated by a metal surface and solid base upholstered with leather or fabric.

Lead time: Approximately 20-24 weeks from Italy.
