

## Puro By Calligaris

**VOYAGER**

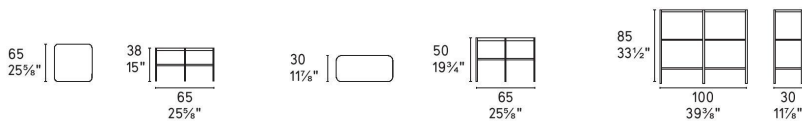

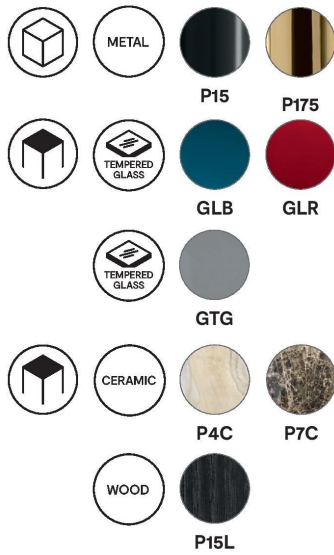

Range of complementary items with double shelving in ceramic and wood and made from ø16 mm tubular metal. The upper shelf is in ceramic whilst the lower shelf is in wood. Loaded with unstudied elegance, this Puro collection is a law unto itself. Two simple geometric shapes, two contrasting colours juxtaposed to create a third shade and a slender frame. Ceramic, wood and metal are the three superlative materials from which this range is wrought, whilst the frame is finished in polished brass or a restrained matt black. A design choice that is anchored in authenticity.
