VOYAGER

“A stunning medley of accent tables available in a variety of geometric shapes, sizes and heights.”

A collection of coffee tables available. The hexagonal and square tops come either in mirrored glass with an attractive wave effect or in ceramic. The design strikes a perfect balance between minimalism and refinement, meaning that these items will adapt easily to any requirements.

Design by: Archirivolto

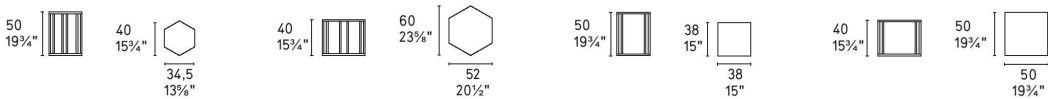

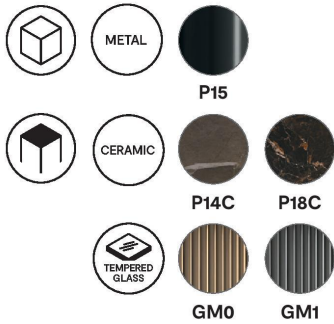

Finishes: Available in ceramic and fluted glass tops. Frame available in matte black.

Lead time: 1-2 weeks if in stock. New orders approximately 12-16 weeks from Italy.
