

## Rosie Soft Metal By Calligaris

**VOYAGER**

**“The best mix of refined elegance, practicality and functionality!”**

The Rosie Soft Chair has a metal frame, a soft and comfortable upholstered seat and a horizontal decoration on the backrest. The seat shell can be two-tone: The outer part of the chair can be covered in faux leather and the inner part in fabric with 3 fixed colour combinations.

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 31/Dec/2019 at 10:32 AM.
