

Sami (Stool) By Calligaris

VOYAGER

“Fresh from the Milan Fair 2015, this upholstered stool with a hexagonal pattern and minimalist design is set to complement any kitchen setting.”

Classic without being predictable, the Sami is the perfect union between the solidity of the hardwood and the softness of the quilted fabric, with refined contrast colour stitching for defining its silhouette. Upholstered seat with plywood shell and base in solid ash or beech wood. The shell has a quilted fabric covering, personalised with a hexagonal-shaped motif and cross-stitching in contrasting colour thread defining the perimeter. The covering fabric is in pure cotton, with stain resistant and antibacterial treatment. Available in 5 different fabric colours.
