

Sanders Air By Ditre Italia

VOYAGER

“Refined elegance”

Sanders evolves into the Air version: raised from the floor on an elegant, metal base, it takes on an exclusive personality that preserves its versatility.

Sanders Air can be used to stylishly and elegantly furnish domestic and hospitality spaces such as lounges, waiting rooms and executive offices thanks to its ability to offer two-sided arrangements.

Designed by Stefano Spessotto and Lorella Agnoletto.

Lead time: Made to order. Approximately 20-24 weeks from Italy.
