

Sanders Sofa By Ditre Italia

VOYAGER

“An informal, deconstructed and modular sofa that offers total freedom of arrangement.”

An informal, deconstructed and modular sofa that offers total freedom of arrangement. The backrests can be positioned anywhere and softened by scatter cushions, creating an original and distinctive seating system. The mix and match game is also chromatic, thanks to the possibility of assembling modules covered with different colours, fabrics and types of leather.

Straight and rounded modules set off the freedom of arrangement offered by Sanders. The base with armrest can also be used as an end module while the armrest itself can even become a seat for unexpected guests.

Straight shapes can be combined with rounded elements, creating original double-sided arrangements suitable for the home and for large, public spaces alike.

Sanders is available to order covered entirely in fabric, leather or eco-leather or in the Sanders Mix version with a leather-covered base and a fabric or eco-leather seat.

Warranty: 5 year structural warranty

Lead time: Made to order. Approximately 20-24 weeks from Italy.

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 17/May/2022 at 11:19 AM.
