

## Silhouette Nightstand By Bernhardt

**VOYAGER**

**“Silhouette is defined by bold contrasts, crisp tailoring and a hint of Hollywood Regency glamour!”**

The Silhouette nightstand is a study in pattern, texture and subtle curves. Crafted from anigre wood in a Figured Onyx finish, it artfully combines classic style with effortless sophistication. The focal point of this singular piece is an oversized camellia-shaped pull in cast aluminium, which adds a natural feminine mystique. With two soft closing drawers, the Silhouette will make a wonderful addition to any bedroom.
