“The Versatility of the Snap Extension Table is what makes it the perfect dining solution for every furnishing style.”

Snap extension table is a modern design which allows countless possibilities of customisation, making it the perfect choice for a minimalist interiors. The melamine-faced top can be extended to seat more guests whenever needed thanks to the concealed extension leaf, which is pulled out manually by sliding the legs to one side. In this way the legs always remain at the corners, guaranteeing comfort to all seated. The coated metal base is available in a range of different finishes and can be matched to the top finishes to create your own personal style.
