

## Sunshine Extension Dining Table By Calligaris

**VOYAGER**

**“Perfectly functional, Sunshine boasts a blended materiality and superb functionality.”**

**Designed by:** Archirivolto

Sunshine is an extension table ideal for all dining areas. Set on levelling feet, the metal base is made up of a U-shaped element and an L-shaped element which are attached with concealed screws. Perfectly functional, Sunshine boasts a sleek pared-back silhouette, its beauty can also be elevated with the two-tone versions of the two elements which make up the base, imbuing it with an extremely elegant feel.

Sunshine is available with a rectangular or elliptical top with rounded edges and the extension leaves slide out easily when additional dining space is required.
