

## Thin By Calligaris

**VOYAGER**

The range of coffee tables in 10x10 mm tubular metal with a matching metal sheet top. Available in several different sizes. Optional ceramic shelf with a magnetic fastening. An airy feel and metallic geometry for this THIN set. In true industrial style, this fixed coffee table is a winning combination of metal and metal sheet. A contemporary piece that will suit any setting and also includes a version with a marbled ceramic top.
