

Unit Modular By Ditre Italia

VOYAGER

“Linear and elegant!”

Designed by: Daniele Lo Scalzo Moscheri

Unit is a modular storage system that expresses its beauty through alternating solids and voids. We could define it as practical architecture, so linear and elegant that it can enhance any space. Glass cabinets on metal bases make for harmonious, flexible arrangements.

Finishes: Metal Frame: (ME09) black or (ME11) light brown. Drawers and display cases are available in many different finishes inc. various timber finishes, regenerated leather, bonded leather, Gres and stoneware. Please enquire for more information.

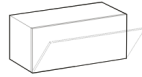

Lead time: Approximately 20 to 24 weeks from Italy.

Prices, availability, lead times, dimensions and product information listed are subject to change without notice. This document was created on 23/Jan/2024 at 10:19 AM.

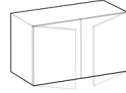

100x20 flat door laquered furniture

Height: 20cm
