VOYAGER

UNIVERSAL is an integrated system of modular sideboards and cabinets with an incredibly versatile design. Cabinets and entertainment units whose appearance varies according to the chosen size and finish. Compact pieces with doors that can be lacquered, wooden, plain or patterned with wave motifs, diamond shapes or squares, enhancing the innate elegance and refinement of this range. By mixing the frame, doors, base units and finishes, you will obtain an effect that suits you down to the ground. Super-slender top flush with the doors in composite stoneware and bases that come in two metal versions and a wooden one.
