

## Vanity Desk

**VOYAGER**

Sleek and stylish, the Vanity Desk is a multifunctional piece that can be used as a dressing table, console or a desk. The Vanity comes in three different styles- either with two adjustable mirrors, with one adjustable mirror and light, or with a practical document holder.

The table top and storage drawer can be selected in a choice of melamine finishes with a lacquered metal frame. This is complemented with decorative feet, a drawer handle and the mirror rim or document holder in a contrasting lacquered metal finish.
