

Volans Pendant By Calligaris

VOYAGER

“Dramatic pleats and folds in this lampshade give amazing light effects”

Made in Italy

Designed by STC

With its pure semispherical shape, Volans is a suspension lamp with a modern look equally suitable for kitchens and dining rooms.

The shade diffuser (diameter 50 cm) is made from aluminium with a textured coating available in various colours on the outside and matt white coating on the inside to reflect light.

The height can be adjusted to the desired position using the metal wire.

Bulb:

max 100W E27 incandescent
or max 70W E27 energy-saving
or max 23W E27 fluorescent
